

FIEUZAL

2025 VINTAGE

The colour is a beautiful gold with luminous green highlights.

The nose opens with delicate notes of hawthorn and white flowers, offering a refined and elegant expression.

The palate, full-bodied and rich, gradually develops a salinity characteristic of Fieuzal. A subtle chalky sensation enriches the texture and enhances the overall complexity.

This 2025 vintage once again showcases a beautiful expression of the terroir.
