

# PAGODES DE COS

2025

**Bordeaux Appellation**

Sémillon 67%, Sauvignon Blanc 33%

North of the Medoc, on the hill of Saint-Estèphe. At the bend of the road are the majestic pagodas of Cos d'Estournel. After the sheer delight, it seeks to penetrate the mystery carefully hidden behind the imposing Zanzibar Gate. The residence of the **Maharajah of Saint-Estèphe** does not fail to surprise. Here is a real palace, entirely dedicated to wine. This had been desired by Louis-Gaspard d'Estournel. Therefore when he inherited a few hectares of vineyards in 1791, he had never ceased to enlarge the estate and to provide it with the best techniques.

Convinced of having in his hands an exceptional terroir, this man of taste, adventurer, praised around the world, in India, in particular, from where he brought this penchant for the Orient and exoticism. In the image of his wine, bewitching and elegant, as well as spicy and powerful, he took the chance to be himself in a world so conventional, cultivating his differences and taking up his choices.

**Property since 2000 of Michel Reybier**, Cos d'Estournel pursues its destiny, **between audacity and humility**. Every decision is a risk-taken, in a visionary philosophy that its founder would not have **disowned**. Culture divided into plots pushed to its peak, demanding **innovation in the winery**, a taste for beauty and excellence in a world imbued with unobtrusive elegance, this is the legacy of Louis- Gaspard which its owner today extends. The unique style of Cos d'Estournel, born of a sublime terroir magnified with respect by the passion of men over the centuries, made from his discovery a true journey.

## The Terroir

The Pagodes de Cos Blanc **vineyard in the northern part of the Médoc**, near the mouth of the Gironde Estuary, is in a prime location. **A cool microclimate and natural ventilation** due to the nearby ocean are conducive to making **wines of great aromatic precision**.

As part of an ongoing quest for excellence, a replanting and top grafting program has been undertaken over the past several years. The soil is regularly ploughed and sustainable methods are used to grow top-quality grapes.

## 2025, Delectable

Top-grafted with Sauvignon Blanc and Sémillon in 2020, the limestone-clay terroirs of the northern Médoc have now reached full yield and count among the core components of the blend, a lovely counterpoint to the original gravel terroirs.

Carefully managed yields bring remarkable density and richness to the vintage. The fruit of more than **twenty years' experience** crafting white wines, Pagodes de Cos Blanc 2025 is **singularly succulent** and **approachable**. Sémillon brings **roundness** to the wine, while grapes cultivated on limestone soils deliver **freshness** and **balance**.
