## CHATEAU DE SALES - POMEROL

### GROWTH CYCLE

BUD BREAK	2 – 10 April
FLOWERING	25 – 28 May
VERAISON	22 – 31 July
HARVEST	5 – 17 September

*Where we expected heat, we found brilliance!*

*Our sandy and gravelly terroir allowed us to craft a wine of great subtlety and nuance.*

*The vines were able to preserve a vibrant acidity and moderate alcohol levels.*

*The result is a wine of great balance, true to the spirit of Pomerol, reflecting the resilience of our terroir and affirming the unique style of Château de Sales.*
